

## **Job Description – Art Installer with Waterford Healing Arts Trust**

### **Duties**

Waterford Healing Arts Trust (WHAT) curates an Art Collection of over 600 works that are on display in University Hospital Waterford (UHW), transforming the hospital building from a bare, sterile, institutional space to a more human place which invites patients, staff and visitors to engage with contemporary art.

The main purpose of the role of the Art Installer is to maintain and install art within University Hospital Waterford. The position has flexible hours with occasional evening and weekend work as required.

The key areas of work of the Art Installer (Art Collection & Exhibitions) are:

- Installing, cleaning and maintaining the Art Collection at University Hospital Waterford
- Organising the repair of artworks where needed
- Installing temporary exhibitions
- Liaising with the UHW Technical Services Department, framers, suppliers, artists etc
- Updating the art collection inventory
- Complying with health and safety and infection control standards
- Labelling artworks
- Assisting with invites, catering, publicity and protocol in relation to exhibition launches
- Assisting generally in other aspects of WHAT's programme when required
- Contributing to team meetings

### **Community Employment Scheme Criteria**

Eligibility to participate in the Community Employment (CE) Scheme is generally linked to those who are 21 years or over and in receipt of a qualifying social welfare payment for 1 year or more or 18 years and over for certain disadvantaged groups. Your eligibility will have to be verified by the Department.
